

Prompt - Casual Shoot #14

Use face image A cinematic urban portrait of me, keeping my real face unchanged. I am sitting casually on outdoor stone steps in front of a building entrance, leaning slightly forward with a confident and contemplative posture. My left elbow rests on my knee, with my hand raised to my temple in a thoughtful gesture, while my right arm hangs more loosely, with my hand extended downward in a relaxed position. My legs are bent naturally, spreading apart for a grounded and strong presence. My gaze
