

AI Prompt for Nano Bana for Architecture Model #2

The miniature 1:7 scale model of the uploaded image placed on a rugged site table outdoors, surrounded by sand, measuring tapes, helmets, and site drawings. The real uploaded image of the building visible in the background under construction (scaffolding, cranes). The plan sheet weighed down by stones, pens scattered, wooden pen stand branded "Design Template Hub." Brings raw architectural field energy. Adding Tea in the table and the smoke should come from the tea.
