

Prompt - Casual Shoot #13

Use the model to create a black-and-white studio photo, featuring a young man sitting casually on a metal folding chair with his legs crossed. He is wearing a denim jacket, a dark t-shirt, straight jeans, and black boots. The lighting is soft and minimal, producing sharp shadows and a moody atmosphere. His body pose is relaxed, slightly leaning back with one hand on the chair's armrest, his face turned to the side. The background is plain, with a simple and modern aesthetic."
