

Prompt - Interior Shoot #2

Create a photorealistic image of a 27-year-old stylish interior designer, with the same facial features and hairstyle as the uploaded image, wearing a casual blue and black checked shirt, black jeans, and brown shoes. He is on a real project site, casually examining furniture, tiles, or material samples, holding a clipboard or sketchpad. The environment should include unfinished walls, wood planks, rolls of fabric, scattered design tools, subtly reflecting an active interior design workspace. Capture a natural, candid posture—looking thoughtfully at a sample, checking dimensions, or making notes. Use soft natural lighting from windows or openings, highlighting textures and the designer's features. Background colleagues or assistants can be slightly

blurred, keeping the focus on him while conveying a dynamic, real-world work environment. Include small details like swatches, sketches, or miniature 3D models around him to reinforce the interior design theme. The overall vibe should be creative, professional, yet relaxed and casual, showing him fully immersed in his design work. Face should be clearly same
