

Prompt - Formal photoshoot #2

Prompted Create a retro vintage grainy but bright image of the reference picture but draped in a perfect white colour suit Pinteresty aesthetic retro pants. It must feel like a '90s movie hair baddie with a small flower bookey in hand and romanticising a windy environment. The man is standing against a solid deep shadow and contrast drama, creating a mysterious and artistic atmosphere where the lighting is warm with golden tones evoking a sunset or golden hour glow. The background is minimalist. Make hair style as per image uploaded
