

Prompt - For Miniature model sculptin sitting in Chair

A hyper-realistic monochrome black-and-white scene showing a 1/7 scale figurine of the man (from uploaded photo) posed on a wooden desk. The real-life man sits beside it, carefully cleaning the figurine under a single desk lamp, casting dramatic shadows. The studio background is minimalist, creating a fine-art photography feel. Only add Design template Hub font Neon lights red colour and rest of the image in Black and white the toy that character sculpts is also same as per character in the uploaded image
