

Prompt - Cartoon Network #3

A cheerful young man with neatly styled hair smiles confidently while posing indoors with the SWAT Kats. T-Bone, the muscular SWAT Kat, stands behind him giving a big thumbs-up with an excited expression, while Razor, the slimmer SWAT Kat, is held gently in his arms, smiling playfully. The warmly lit room with chandeliers creates a cozy background, blending live-action and 3D animation in a hyper-realistic cinematic poster style.
