

Prompt - Vibtage Car #2

""A stylish young man sitting in the driver's seat of a vintage turquoise car, leaning his arm casually out of the open window while looking upward with a confident and thoughtful expression. He has a well-groomed beard, dark hair styled neatly, and is wearing a teal-green shirt with rolled-up sleeves. The car's interior features brown leather seats, and sunlight enhances the retro aesthetic. The overall vibe is cinematic and urban, with a modern yet nostalgic atmosphere.""
